

MUHAMMAD REHAN

DIGITAL MARKETING SPECIALIST

Gulistan Colony, Faisalabad, Pakistan | +92 302 6260089 | rehan.digitalexpert@gmail.com

PROFILE SUMMARY

Digital Marketing Specialist with hands-on experience in freelance e-commerce projects and a Digital Marketing internship at Corvit Networks, skilled in Meta Ads, PPC, and social media marketing. Combines a Computer Science background with a data-driven approach to paid advertising, e-commerce management, and creative content, with a strong focus on measurable growth and ROI. Manages an independent Shopify store and multi-platform ad campaigns end-to-end, from setup to execution.

CORE SKILLS

Paid Advertising: Meta Ads, Google Ads, TikTok Ads, Snapchat Ads, PPC Campaign Management

E-Commerce: Shopify Store Setup & Management, Product Listings, Theme Customization

Content & Creative: Ad Creatives, Banners, Social Media Content, Logo Design

Marketing Ops: Campaign Planning, Budget Optimization, Performance Analysis, Lead Generation

TOOLS & PLATFORMS

Meta Business Suite & Ads Manager, Google Ads Manager, TikTok Ads Manager, Snapchat Ads Manager, Shopify Admin, Canva, Facebook & Instagram Business Tools

WORK EXPERIENCE

Freelance Digital Marketing Specialist | *Self-Employed* | 2024 - Present

- Manage a Shopify e-commerce store end-to-end, including product listings, theme customization, and store setup.
- Plan and run paid ad campaigns on Meta and other platforms to drive traffic, leads, and sales for independent projects.
- Create marketing creatives and social media content using Canva to support brand visibility and engagement.

Digital Marketing Intern | *Corvit Networks, Faisalabad* | 2025

- Assisted in planning and executing Meta Ads campaigns for client accounts to drive brand visibility and lead generation.
- Supported the development and implementation of target-oriented social media marketing strategies.
- Designed high-converting marketing creatives, ad banners, and visual content using Canva.

EDUCATION

Bachelor of Science in Computer Science (BS CS) | 2025 - Present

Intermediate in Computer Science (ICS) | 2023 - 2025

KEY STRENGTHS

- Performance-Driven Approach — strategic planning and budget optimization for paid advertising across Meta, Google, TikTok, and Snapchat to maximize ROI.
- E-commerce Operations — hands-on experience with Shopify store setup, product listings, theme customization, and end-to-end management.
- Analytical & Creative Mindset — combining computer science problem-solving with creative visual design to deliver data-driven results.
